ABOUT ME

I'm passionate about software development and the thoughtful integration of artificial intelligence to build digital experiences that truly matter. I enjoy contemplating life's mysteries and exploring how technology can be a powerful tool for solving complex problems.

WORK EXPERIENCE

Full Stack App Dev Intern   May 2025 - Jul 2025
Foradian Technologies
Developed a full-stack mobile application using React Native and Ruby on Rails to create an internal tool for the company. Focused on enhancing user experience and integrating backend services.

Flutter Developer   Jun 2024 - Jul 2024
Monclarity Solutions Pvt. Ltd.
Developed a front-end finance application using Flutter framework, integrated APIs to connect various services and performed comprehensive debugging and testing to ensure quality assurance.

Security Compliance Intern   Oct 2023 - Dec 2023
Valsco Technology
Drafted security policies and protocols to ensure confidentiality, integrity and availability of information and information systems of the company

EDUCATION

Vellore Institute of Technology   2022 - 2026
